

September 1, 2009

Dear Fellow Reddie:

The 2009-2010 athletic seasons are now upon us, and Heart & Key would like to offer your organization the opportunity to show support by working the concession stands during home games. In addition to participating individuals earning Heart & Key points, each organization will receive a portion of the profits received from concession sales.

Please submit your bid by completing the form below, ranking the following dates for football and basketball games in order of preference. **The form must be returned to HSU Box 7684 no later than Friday, September 16th.** In the event of conflicts among the scheduling choices of various organizations, Heart & Key will determine the selections by random drawing.

Should your organization be selected, you will be responsible for arriving at least **an hour prior to game time**, as well as keeping up with possible time changes. Your organization is responsible for having at least **14 workers for football game concession stands and at least 6 for basketball concessions.** In order for individual workers to receive Heart & Key points, a member of your organization must ensure that the sign-in sheet is completed and returned to Heart & Key, HSU Box 7684.

Go Reddies!

Heart & Key

Organization:

Contact Person: _____

Phone: _____
